**Subject: Letter of Recommendation for Yashasvi Ghadale**

MyCaptain, an initiative by an IIM Bangalore incubated company, is an online youth mentoring youth platform recognized by the UN SDSN as one of the Top 50 Worldwide Youth Solutions.

It is with great pleasure that I recommend Yashasvi Ghadale, on the basis of the performance in the MyCaptain Artificial Intelligence Workshop in the month of April 2020.

Yashasvi Ghadale performed extremely well during the workshop and showed excellent skills as seen in the task submissions and participation in the regular activities. As the mentor, I have seen that in every live session, Yashasvi Ghadale was very actively participative and always willing to learn and enhance skills in every aspect. Yashasvi Ghadale is always willing to put forth a unique approach for the tasks that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Yashasvi Ghadale, all luck with their future endeavors and a bright future.

Kind Regards,

**Swathi Hameed**
